Dearest mother

It seems like a long time since I've heard from any of you but I guess I haven't written myself. I have been very busy for the past week and I think I forgotten whether I wrote or not. Just before graduation there are so many things to do in addition to our regular duties.

Eford has written me two letters since the invasion so I presume you hear from him often. Cleve hasn't written me for a long time and I wrote him last. Send me his address so I can write to him again, perhaps he didn't get my letter.

I got a letter from Vidiana yesterday and she told me all about the falls at Norfolk. She

Certainly writes a good letter.

Mamma you still <sup>are</sup> planning  
to come down in September aren't you?  
I will want to know for sure  
next month so I can reserve you  
all room to spend the night.  
You will have to come the day  
before the 14th of September and maybe  
stay the night of graduation also. Do  
try to come because you will  
enjoy the trip and seeing the  
university. September cannot come  
to quick for I am looking forward  
to that time. Tell Love and  
Clister to come with you.

I will write you again  
in a few days when I have  
more time!

Love to all,

Darius
