

Dear Clydie & Andrew,  
It has been a long time  
since I started planning  
to write to you. However today  
I have put every thing <sup>aside</sup>  
to drop you all a note.  
I am still battling with  
the cleaning job. The man  
who is doing it has to go  
to so many other places, he  
can't get through. He is a  
good Christian man so it's  
better if I let him finish  
the job.

I was glad to get your letter  
and learn the young family  
are fine. Bonnie surely  
has a nice family, little  
boy & girl. No wonder she  
has no time to hold down  
a job. My dear Vivian is  
wonderful & smart too, in

holding on to her job. She  
 has been there a long time  
 now. God bless her  
 It has been awfully hot  
 out here this fall. The  
 atmosphere is dry here  
 no humidity. Always cool  
 at night which helps a lot.  
 Did you all watch the World  
 Series baseball game here on  
 television? Oh, boy! it was  
 really something, when the  
 Dodgers won the world series.  
 just like a mad house. Every  
 one stamping their feet &  
 yelling to the top of their voice  
 clapping their hands whistles  
 blowing, helicopters flying  
 over head dropping  
 bombs which exploded  
 in the air - really you  
 couldn't hear your own  
 voice. They won 4 straight  
 games through the very first

pitching by sandy Koufax -  
 a left handed pitcher. Poor  
 boy nearly got mobbed after  
 the game. He is a handsome  
 young fellow, neither drinks  
 nor smokes. He should  
 be admired by every one  
 he turned down a hundred  
 thousand dollars if he would  
 say he used a certain kind  
 of cigarettes & whiskey. Hurrah  
 for a young fellow <sup>at the time</sup>  
 He is a single man.  
 Well, my dear ones, must  
 close for today & get dinner.  
 Do pray all is well with  
 you all

Love & best wishes  
 to every one

Dan Rovey
